Miss Kesho Premium Leather Collection

ABOUT US

Miss Kesho is an ethical fashion brand specializing in premium goods made from genuine Tanzanian leather. Our products are handmade by local leather artisans so our clients can expect global designs with a touch of African character, the perfect souvenir for you and your loved ones.

Buying from us will also ensure your support for our community development initiative, Hedhi Huru, that aims to tackle period poverty among needy girls in government schools. Read our concept note **here** to learn more about what we do and follow Hedhi Huru **here** to keep up with our work.
